About This Game

Faulty Apprentice is a fantasy visual novel with RPG elements and mini-games.

Some routes of the game will lead to good, others to evil. Will you save the kingdom? Or will you bring about its destruction?
The fate of Stars Reach Castle will be determined by you, the Faulty Apprentice.

This game features original art styles of East meets West, open world navigation, and dynamic characters!

Faulty Apprentice is a visual novel set in a medieval fantasy world, featuring character relationships, minigames, and a riveting blend of light-hearted comedy and suspenseful drama.

Allocate your time each day by choosing from a range of activities. Training, Completing Jobs, Exploring Stars Reach Castle or building Relationships. Each with their own exciting minigame that gives a range of playstyles.
